Sample policy – synthetic demo document

Not for use in a real service. Created for the OMFiNiTiVE Data Import demo.

Pets in the Home Policy

Category: Operations · Version 1.0 · Owner: Registered Manager

1. Purpose: to support people who want a pet while managing hygiene and safety.

2. A pet risk assessment is completed before a pet moves in or visits regularly.

3. Owners or named staff are responsible for feeding, cleaning and vet care.

4. Allergies and fears of other residents are taken into account.
